Amendments to the Claims

SW 4/11/05

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

1. (withdrawn) A medical device for removing a foreign object from a body lumen, comprising:
 - an elongated member having a proximal section and a distal section;
 - a support frame attached to the distal section of the elongated member; and
 - a filter basket having a plurality of filter struts for capturing the foreign object, said plurality of filter struts including a proximal set of filter struts configured to attach the filter basket to a portion of the support frame, and a distal set of filter struts configured to couple the filter basket to the distal section of the elongated member.
2. (withdrawn) The medical device of claim 1, wherein the filter basket and support frame are configured to self-expand from a collapsed position to an expanded position when deployed in the body lumen.
3. (withdrawn) The medical device of claim 1, wherein said elongated member is a pusher wire.
4. (withdrawn) The medical device of claim 1, wherein said support frame includes a proximal hoop and at least one rail member.
5. (withdrawn) The medical device of claim 4, wherein said at least one rail member includes a left rail member and a right rail member.
6. (withdrawn) The medical device of claim 5, wherein said left and right rail members are arcuately shaped.
